

True Identity

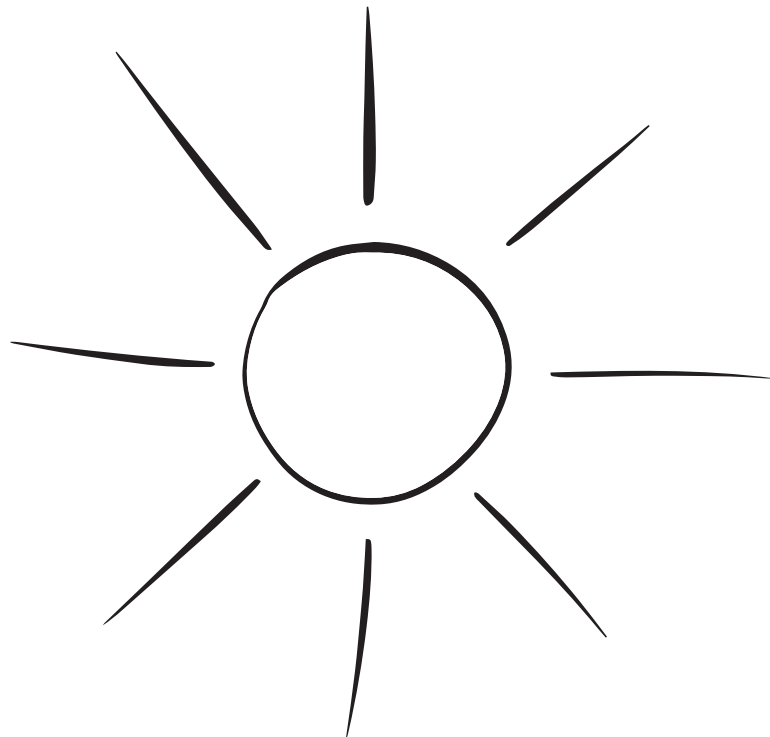

"But whoever did want him, who believed he was who he claimed and would do what he said.
He made to be their true selves. Their child-of-God selves."

JOHN 1:12 (MSG)

"Your circumstances may change but who you truly are remains forever the same.
Your identity is eternally secure in Christ."

HOLLEY GERTH

Have you ever noticed that when someone is asked to share about themselves, they often begin by explaining what they do? When people have jobs that seem more important than others, we tend to think those people are more important. This isn't true. Your true worth has absolutely nothing to do with what you do. It doesn't matter what you do or what you have accomplished, your value is absolutely secure because God made you valuable. The more we believe this, the more we will be free to grow into the people God created us to be and what we do in the world will simply flow from who we are.

Inside the center of the sun write words that describe the person you want to be;
in the rays, write the things you want to do during your lifetime! The person that you become
will determine whether or not you do the things God has planned for you to do!
